

OUTDOOR DINING APPLICATION

Applications shall be accompanied by fully dimensioned plans indicating the location of the proposed seating area within the subject site, the layout of the proposed outside seating, and information as to any proposed building or site alterations, seating area enclosure elements, etc.

Setbacks for outside seating area involving the construction of "structures" as defined by the Building Code shall be at least equal to those required for conventional buildings within the applicable zoning district.

Outside seating areas shall not occupy required sidewalk areas or required landscape areas.

In their consideration for outside seating, the City Council, when involved, may require modification or rearrangement of inside and outside seating areas in order to assure that adequate parking is available.

Restaurants and food service establishments selling or serving alcoholic beverages shall further be subject to the requirements of the Michigan Liquor Control Commission.
